Department's explanation of why savings will be available in the account from which the money is requested to be transferred:
Unspent 25/26 funds left unused.

Department's justification & explanation of why transfer is necessary (A brief statement such as, "To cover anticipated deficit," is not adequate and, therefore, not acceptable.)

ACC and Buildings and Grounds had to renegotiate a signed PO for the installation of security cameras at the Shelter. \$18,000 was previously allocated to the project but after needing to increase the amount of storage space necessary by State law to maintain, a new quote from Advanced Security Systems requires an additional \$847 to be added to the capital asset expenditure.
