BUDGET OVERVIEW*

- 1 This Budget was created from the discontinued APCO's Trust Fund. That fund was limited to enforcement related expenses (testing, litigation, expert witnesses, etc.), grant programs, and
- 2 specific projects. A Designated Reserve for enforcement activities exists.
- 3 The Budget, for administrative reasons, covers multi-year projects, grants, and processes and thus is not completely expended, though budgeted to cash balance on a yearly basis. Some projects and
- 4 funding have explicit constraints on spending and accounting and are in this budget to ensure a separation from AQMD operational budget and grant supported activities.
- 5

BUDGET OBJECTIVES*

- 1 1) To protect and preserve our air quality through an active and effective enforcement program that is adequately funded and has reserves for the unexpected situation as outlined in the purpose of the
- 2 fund.
- 3 2) Adopt and adapt state and federal programs for air quality that require specialized project/grant specific fiscal tracking and accounting over a multi-year period utilizing the least complex method
- 4 possible that is compatible with the County Auditor's system and is compliant with program requirements.
- 5
