Basis for the Appeal

2-2

Planning Commission Hearing
June 11, 2026

Hearing & Attendance: At the June 11, 2026, Planning Commission hearing, four Commissioners were in attendance (Commissioner Fields was absent).

Majority Requirement: Pursuant to Commission By-Laws, an affirmative majority vote of the total commission is required to either approve or deny a project.

Vote: The vote resulted in a 2-2 tie, preventing any majority action from being taken.

Automatic Appeal Triggered: Under Section 58.40 of the Lake County Zoning Ordinance, a tie vote prevents formal action and automatically elevates the matter to the Board of Supervisors.

Current Status: The item is now before the Board as an automatic appeal under **Record Number PL-26-357**.
