II. Section 27.13(a)(34) shall be removed in its entirety.

SECTION FIVE: All ordinances or parts of ordinances or resolutions or parts of resolutions in conflict herewith are hereby repealed to the extent of such conflict and no further.

SECTION SIX: This ordinance originally adopted in 2018, was determined to be exempt from CEQA pursuant to Business and Professions Code section 26055(h), for the adoption of an ordinance, rule or regulation by a local jurisdiction that requires discretionary review and approval of permits, licenses, or other authorizations to engage in commercial cannabis activity where the discretionary review in any such law, ordinance, rule, or regulation includes any applicable environmental review pursuant to

1 Division 13 (commencing with section 21000) of the Public Resources Code; and under
2 Section 15061(b)(3) of the CEQA Guidelines, as an activity that is covered by the
3 general rule that CEQA applies only to projects which have the potential for causing a
4 significant effect on the environment. The amendments modify the ordinance to
5 increase restrictions; they do not propose, approve, or fund any specific physical
6 construction or ground-disturbing activities. The revisions also align the local municipal
7 code with existing state law and policy without changing the intensity of use. This
8 analysis also notes that any subsequent approvals facilitated by the ordinance will
9 remain subject to full, project level CEQA review. The general exemption applies in this
10 instance because it can be seen with certainty that there is no possibility that the
11 proposed amendments could have a significant effect on the environment, and thus are
12 not subject to CEQA. The Board of Supervisors independently finds and determines that
13 this action is exempt from CEQA pursuant to CEQA Guidelines section 15061(b)(3) in
14 that it can be seen with certainty that there is no possibility that the activity in question
15 will have a significant impact on the environment.

16 SECTION SEVEN: This ordinance shall take effect on the ____ day of _____,
17 and within 15 days after adoption of the ordinance, the Clerk to the Board of
18 Supervisors shall publish a summary of the ordinance with the names of those
19 Supervisors voting for and against the ordinance and the Clerk shall post in the office of
20 the Clerk to the Board of Supervisors a certified copy of the full text of the adopted
21 ordinance along with the names of those Supervisors voting for and against the
22 ordinance.
