Please note that the request must be made for an INITIAL REVIEW before a request for an ADMINISTRATIVE HEARING. The request for the ADMINISTRATIVE HEARING must be made within 21 days of the results from the INITIAL REVIEW. No money is required to request an INITIAL REVIEW, but the all fees due from the Citation must be paid before an ADMINISTRATIVE HEARING date is provided. To request a review or hearing date by mail, mail your request to the address indicated on the CITATION or the DELINQUENT NOTICE. If you do not have the address, send the request to the address below. Please request the review or hearing within the time limits indicated. Failure to request a citation review or hearing will result in the case not heard and the request will be mailed back to you.

Initial Review: To Contest a Citation at the First Level

For a period of 21 calendar days from the issuance of a parking citation or 14 days from the date of the first notice of parking violation, you may appeal the violation(s). There is no charge for this appeal.

You may request information on how to appeal by phone, but your appeal and the reasons supporting it must be submitted in writing.

If after the review, it is determined that the violation did not occur; that the registered owner was not responsible for the violation or that the extenuating circumstances make dismissal of the violation appropriate in the interest of justice; the violation shall be canceled and the results of the review shall be mailed to the appellant.

If after the review, it is determined that the violation did occur and the registered owner is responsible for the violation, the results of the review shall be mailed to the appellant with information on how to pay or appeal for a hearing.

To contest the Citation at the second level, Administrative Hearing

(b) If the person is dissatisfied with the results of the initial review, the person may request an administrative hearing of the violation no later than 21 calendar days following the mailing of the results of the issuing agency's initial review. The request may be made in writing or online through www.CitationProcessingCenter.com. The person requesting an administrative hearing shall deposit the amount of the parking penalty with the processing agency. The issuing agency shall provide a written procedure to allow a person to request an administrative hearing without payment of the parking penalty upon satisfactory proof of an inability to pay the amount due. Notice of this procedure shall be provided to all persons requesting an administrative hearing. After January 1, 1996, an administrative hearing shall be held within 90 calendar days following the receipt of a request for an administrative hearing, excluding time tolled pursuant to this article. The person requesting the hearing may request one continuance, not to exceed 21 calendar days.

(c) The administrative hearing process shall include the following:

- (1) The person requesting a hearing shall have the choice of a hearing by mail or in person. An in-person hearing shall be conducted within the jurisdiction of the issuing agency. If an issuing agency contracts with an administrative provider, hearings shall be held within the jurisdiction of the issuing agency or no more than 21 miles outside the county.
- (2) If the person requesting a hearing is a minor, that person shall be permitted to appear at a hearing or admit responsibility for the parking violation without the necessity of the appointment of a guardian. The processing agency may proceed against the minor in the same manner as against an adult.
- (3) The administrative hearing shall be conducted in accordance with written procedures established by the issuing agency and approved by the governing body or chief executive officer of the issuing agency. The hearing shall provide an independent, objective, fair, and impartial review of contested parking violations.

To contest the Citation at the third and final level, Contest requested by the Court

40230. (a) Within 30 calendar days after the mailing or personal delivery of the final decision described in subdivision (b) of Section 40215, the contestant may seek review by filing an appeal to be heard by the municipal court, or by the superior court in a county in which there is no municipal court, where the same shall be heard de novo, except that the contents of the processing agency's file in the case shall be received in evidence. A copy of the notice of parking violation or, if the citation was issued electronically, a true and correct abstract containing the information set forth in the notice of parking violation shall be admitted into evidence as prima facie evidence of the facts stated therein. A copy of the notice of appeal shall be served in person or by first-class mail upon the processing agency by the contestant. For purposes of computing the 30-calendar-day period, Section 1013 of the Code of Civil Procedure shall be applicable. A proceeding under this subdivision is a limited civil case.

(b) The fee for filing the notice of appeal is twenty-five dollars (\$25). The court shall request that the processing agency's file on the case be forwarded to the court, to be received within 15 calendar days of the request. The court shall notify the contestant of the appearance date by mail or personal delivery. The court shall retain the twenty-five dollar (\$25) fee regardless of the outcome of the appeal. If the court finds in favor of the contestant, the amount of the fee shall be reimbursed to the contestant by the processing agency. Any deposit of parking penalty shall be refunded by the processing agency in accordance with the judgment of the court.

(c) The conduct of the appeal under this section is a subordinate judicial duty that may be performed by traffic trial commissioners and other subordinate judicial officials at the direction of the presiding judge of the court.

(d) If no notice of appeal of the processing agency's decision is filed within the period set forth in subdivision (a), the decision shall be deemed final.

(e) If the parking penalty has not been deposited and the decision is against the contestant, the processing agency shall, after the decision becomes final, proceed to collect the penalty pursuant to Section 40220.
