Empowering the Next Generation of Innovators

Founded in 2004, the Children's Museum of Art and Science (CMAS) has made a tremendous impact in its 20 years. Thanks to the help of members, volunteers, and other community partnerships and contributors in Lake County, CMAS is committed to stimulating children's curiosity and motivating learning arts and sciences in them, especially where related to Lake County's past, present, and future, and complementing efforts in schools, child care centers, and homes to enrich the lives and education of children.

Our Mission

The Children's Museum of Arts and Science of Clearlake, as operated by the South Lake Alliance shall serve as a unique community resource that:

- Nourishes opportunities for children, families, educators, and parenting groups to learn about themselves and the world around them in a creative, non-commercial environment.
- We provide an enriching atmosphere in which to explore a multitude of cultures.
- Offers active youth and senior volunteer programs.
- Provides access to dynamic, interactive learning opportunities to all children and their care-givers, regardless of ethnicity, disability, or economic status.
- In addition, the Children's Museum of Arts and Science of Clearlake will also provide educational outreach services to local education agencies, and such public institutions as libraries and museums.

Margo Fleming · October 22, 2023 · 🌐

Margo & Friends have 2 gigs on Saturday 10/28/23 right here in Lake County. First we will do a set at the Music Village Festival at 9685 Nancy Drive in Kelseyville at 4pm and then we will race over to O'Meara Bros. at 901 Bevins St. in Lakeport starting at 6pm. We'll be doing another round of the Monster Mash along with other fun covers and tasty originals! See you at the shows!!
