

Empowering our community

The LIME Foundation is dedicated to empowering underserved youth, adults, and seniors through education, career training, and wellness programs. Our mission is to uplift lives by providing opportunities in the trades, technology, music, and health, creating pathways to self-sufficiency, confidence, and long-term success. We believe that with support, mentorship, and access, every individual can build a brighter future for themselves and their community.

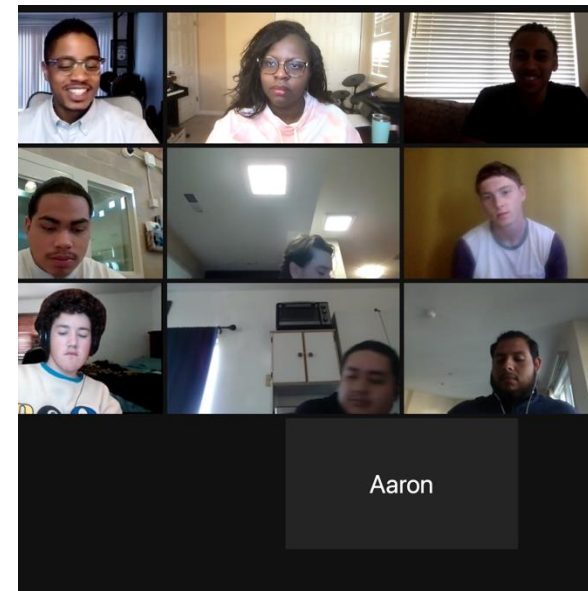

NextGen
Trades Academy®

NextGen Trades Academy (NGTA)

- NextGen Trades Academy is a 3-week course in Sonoma, Mendocino, Napa & Marin Counties which is a program of the LIME Foundation since 2017.
- Provide vocational education, training, career skills, and job placement for at risk and underserved youth ages 16 to 30.
- We recruit from 23 High Schools, 23 non-profits, 11 community organizations and 2 probation departments.
- Introduction of up to 27 trades such as roofing, solar, electrical, and more. In addition to learning about the trade, they learn about how the trades promote clean energy, sustainability, electrification and green building.
- Free Course!
