

Hello,

We met with Lena from Middletown, and she noted that her only concern was related to the current development underway related to the hotel. She was asking why they were never notified and why it's not included in the UP. I see that BLD20-01214 was issued in December 2023 for a 26-unit hotel and let her know that it may have been ministerial. However, I told her I would relay the message to you to follow up with her via email

lmurphy@middletownrancheria.com Besides that, they had no concerns with the RV project.
