5. Audit by the California State Auditor. Contractor acknowledges that if the total compensation under this agreement is greater than \$10,000.00, this Agreement is subject to the examination and audit by the California State Auditor for a period of three (3) years, or for any longer period required by law, after final payment under this Agreement, pursuant to California Government Code 8546.7. In order to facilitate these potential examinations and audits, Contractor shall maintain, for a period of at least three (3) years,

or for any longer period required by law, after final payment under the contract, all books, records and documentation necessary to demonstrate performance under this agreement.

6. Changes. Changes and modifications to this Agreement may only be made by prior written change order of County, accepted in writing by the Contractor, specifying such change(s) including adjustment(s) to price and delivery schedule (if any), as are agreed to by the parties hereto. In no case shall County pay for any extra work or material furnished except as previously agreed upon in such a written change order. The Contractor and the County shall determine whether any change or modification will cause a delay in Contractor completing all work and if so, the duration of such delay.
7. County's Responsibility. County shall comply with all requirements that apply to it under applicable laws and regulations, including laws and regulations governing intellectual property and data privacy. County will provide, at its own expense, access to Megabyte via Megabyte's network or via the Internet as long as it is at acceptable speeds (County minimum of T1 or business DSL speed).
8. No Waiver by County. Inspection of the work by the County, or the statement by any officer, agent, or employee of the County, prior to written acceptance of the work or any part thereof, indicating that the work or any part thereof complies with the requirements of this Agreement, or the County's payment for the whole or any part of the work, or any combination of these acts, shall not relieve the Contractor of obligation to fulfill this Contract as prescribed. Waiver of any provision of this Agreement by the County in any single instance shall not prejudice County's right to enforcement of all provisions of this Agreement in any other instance.
9. Hold Harmless. Contractor agrees to defend, indemnify, save and hold harmless the County, its officers, agents, and employees, from and against any and all claims and losses whatsoever accruing or resulting to any and all persons, firms or corporations for damage, injury or death as a result of negligence by Contractor in Contractor's performance of this Agreement.
10. Data Protection.
 - A. County hereby acknowledges and agrees that in order to provide the Support Services, County may directly or indirectly provide, or Contractor will otherwise have access to and retain, confidential, non-public information (including personally identifiable information), statistics, metrics, and other data concerning County or County's clients or constituents (collectively, "County Data"). As between County and Contractor, County owns County Data and all County Data shall remain the

property of County. County hereby grants to Contractor and its affiliates and subcontractors a right and license to use and process County Data to the extent reasonably necessary to (i) monitor, provide, administer, ensure the proper operation of, develop, improve, and modify the Support Services, (ii) develop and provide new and existing functionality and services to County and other Contractor customers, and (iii) perform Contractor's rights and obligations under this Agreement.

- B. Contractor shall not collect, retain, use, sell, or disclose County Data for any purpose (including for any commercial purpose) other than for the specific purposes set forth in this Agreement, unless otherwise required by law, and shall not use County Data for the purposes of conducting online/targeted behavioral advertising for County or any other third party. Contractor shall, at County's reasonable request, cease any unauthorized processing of County Data and grant County authorization to assess and remediate any such unauthorized processing. Except to the extent otherwise agreed to by Contractor in writing (and a statement of work, order form, or similar documentation are acceptable forms of writing), County shall not provide Contractor with any unencrypted personally identifiable information that is considered sensitive (e.g., a social security number, driver's license number, financial account data, health data) as part of the Support Services or otherwise. Any violation of this clause by County shall be considered a material breach of this Agreement and County hereby releases Contractor from, and shall not hold Contractor liable for, any loss, damages, or harm County incurs as a result of County's violation of this Section 10.
- C. Cooperation; Assistance. Contractor shall provide reasonable assistance to County to enable County to comply with its obligations and responsibilities under any applicable privacy law, including with respect to providing access to, correcting, and deleting County Data. Contractor shall promptly notify County if Contractor receives a correspondence, inquiry, complaint, request, or demand concerning Contractor's use or processing of County Data.

11. Patent or Copyright Infringement.

- A. Contractor represents that the materials and products produced hereunder do not violate others intellectual property rights (which include patent, copyright, trademark, trade secret or other proprietary right.) In the event a claim, cause of action, proceeding or other legal action should arise in which there are claims that the

materials and/or products infringe or violate another's intellectual property rights, Contractor shall undertake to protect, defend, settle or resolve the proceeding at no cost, whatsoever, to County, including, but not by way of limitation, legal fees, disbursements, judgments, or the like. Contractor shall protect, defend and indemnify and hold County harmless, subject only to County giving Contractor prompt written notice of any such third party claim, cause of action or proceedings and rendering to Contractor any reasonable information, assistance or access to documents and materials required in the defense of any such cause of action.

- B. Should the materials and/or products in Contractor's opinion, be likely or become the subject of a claim of infringement of a patent, copyright or trademark, Contractor may do any of the following: (1) obtain a legally binding right for County to use, at no cost to County, the material and/or product; (2) replace or modify the material and/or product so that it is non-infringing yet still complies with the RFP and the Contract specifications; (3) repurchase the material and/or product by refunding all moneys paid by County to Contractor for the material and/or product less depreciation and reasonable costs for use and such other amounts as are mutually agreeable to County and Contractor.

- 12. Title to Work. Upon termination of this agreement for any reason title to, ownership of, and all applicable patents, copyrights and trade secrets in the MPTS software, shall remain with the contractor as owner/holder of such patents, copyrights, and trade secrets, who shall retain complete rights to market such product, and no such rights shall pass to County. However, County shall receive, at no additional cost, a perpetual license to use such products for its own use.
- 13. Source Code. Contractor shall place source code for the licensed software and any changes thereto, into a software escrow account. County shall have access to the source code in the event Contractor fails to fulfill its maintenance and support obligations, or in the event of bankruptcy, dissolution, or appointment of a receiver for Contractor. County shall be able to use the source code according to the terms of this agreement, and must also be permitted to modify the code for its own use consistent with this agreement.
- 14. Insurance. Contractor shall maintain, at Contractor's own expense during the term hereof, insurance with respect to Contractor's performance of this Agreement of the types and in the minimum amounts described generally as follows:
 - A. Full Workers' Compensation and Employer's Liability Insurance covering all employees of Contractor as required by law in the State of California.

 - C. Comprehensive Automobile Liability Insurance (Bodily Injury and Property Damage) on owned, hired, leased and non owned vehicles used in conjunction with Contractor's business of not less than Three Hundred Thousand (\$300,000) combined single limit per occurrence (claim made).
15. Proof of Insurance. Contractor shall not commence work under this agreement until an Additional Insured Endorsement naming the County, it's officers, employees and agents as additional insured under the policies described in subparagraphs B and C in section 12 (Insurance) is delivered to the County. Such certificates shall specify that County must be given written notice 30 days prior to the cancellation or modification of any such insurance.
16. Insurance in Force and Effect During Contract Period. The insurance specified above shall be in a form and placed with an insurance company or companies satisfactory to County, and shall be kept in force and effect until completion to the satisfaction and acceptance by County of all work to be performed by the Contractor under this Agreement.
17. Confidentiality.
- A. Contractor will hold all County Data in trust and confidence, and limit access to such County Data to only those individuals who have a business need for such access and undertake reasonable steps to ensure the reliability of all individuals who have access to such County Data. Contractor shall designate a senior employee to be responsible for the overall management of Contractor's information security program. Upon cancellation or expiration of this Agreement, Contractor will return to County all written and descriptive matter which contains any such County Data.
 - B. Contractor shall, where legally required, notify County of any unauthorized access to or use of County Data when Contractor discovers the same. In such circumstances, Contractor shall provide timely information to County relating to such unauthorized

access or use and promptly take reasonable steps to contain, investigate, and mitigate the same. Any action or notification taken by Contractor in accordance with this clause shall not be interpreted or construed, in any manner, as an admission of liability, wrongdoing, or fault. Contractor shall not be liable to County or any third party for damages, losses, or harm arising from any unauthorized access to or use of County Data, provided such damages, losses or harm are caused by an act or omission of County or a third party acting outside the control of Contractor, or by County's breach of this agreement.

18. Independent Contractor. Contractor shall perform this contract as an independent contractor for all purposes. Contractor is not, and shall not be deemed, a County employee for any purpose, including worker's compensation. Contractor shall, at Contractor's own risk and expense, determine the method and manner by which the duties imposed on Contractor by this contract shall be performed; provided that County may monitor the work performed by Contractor; and provided further that Contractor shall observe and comply with all laws and rules applicable to County in performing the work. Contractor, not County, shall be responsible for Contractor's negligence and that of Contractor's agents and employees in performing the work. Contractor shall be entitled to none of the benefits accorded to a County employee. County shall not deduct or withhold any amounts whatsoever from the compensation paid to Contractor, including but not limited to amounts required to be withheld for state and federal taxes. Contractor alone shall be responsible for all such payments.
19. Termination. The County or Contractor may terminate this agreement with 60 days written notice.

21. Dispute Resolution. In the event of any dispute, claim, question, or disagreement arising from or relating to this agreement or breach thereof, the parties shall use their best efforts to settle the dispute, claim, question, or disagreement. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests,

attempt to reach a just and equitable solution satisfactory to both parties. If they do not reach such solution with a period of 60 days, then, upon notice by either party to the other, all disputes shall be settled by mediation, and each party agrees and consents to participate in such mediation in good faith once a party so requests and requires mediation pursuant to this provision of the Agreement. Such mediation shall be conducted by JAMS, or such other agreed upon mediator with similar qualifications, and shall occur within 30 days of the exercise of the rights hereunder, or such other reasonable time as the parties may agree. The parties shall equally share the costs of such mediation.

22. Subcontractors. County hereby acknowledges and agrees that Contractor may use affiliates and subcontractors to assist with its provision of Support Services to County, provided Contractor executes with any such affiliates and subcontractors a written agreement that contains terms and conditions that are substantially similar to the terms and conditions set forth in this Agreement. Contractor shall undertake all reasonable efforts to ensure that any such affiliates and subcontractors can comply, and are in compliance, with the terms and conditions set forth in this agreement. At all times Contractor shall acknowledge and assume full responsibility for the actions taken by its Subcontractors.
23. Feedback. County may voluntarily, but is not required to, provide Contractor and/or Contractor affiliates and subcontractors with ideas, suggestions, requests, recommendations or feedback about the Contractor's business operations, products, and services ("Feedback"). In circumstances where County provides Contractor and/or Contractor affiliates and subcontractors with such Feedback, Contractor shall own all rights, title and interest, including all intellectual property rights, in and to the Feedback, including any configurations and customizations thereof. County hereby represents and warrants to Contractor that it has all rights to provide any and all such Feedback to Contractor.
