Financial management

Organizational policy and procedure development

Strategic planning

Project and program development

Grant writing

Partnership building

Looking Ahead

Maintaining Momentum

- Increasing and maintaining staff capacity and programmatic offerings to better serve Lake County
- Upcoming strategic planning process

Regional Connections

- Leveraging connections to the North Coast Durable Collaborative
- Partnering on regional grants and initiatives, e.g., North Coast Soil Hub

Special District Status

- Special District of the State of California
- Able to serve as CEQA Lead Agency
- Able to contract directly with the County and other government agencies

Collaborative Capacity

- Empowered to work directly with private landowners
- Uniquely capable of convening partners and facilitating collaboration at multiple scales

LAKE COUNTY

Resource Conservation District
